AIM OF THE GATHERING

“The major aim of the gathering is that the sincere members of the Jamaat should be able to derive religious benefits and at the same time they should acquire more knowledge and advance in their God realisation. One advantage is that meeting with friends will broaden their circle of brotherhood and it will strengthen their circle of brotherhood and it will strengthen the mutual ties.”

*The Promised Messiah, Asmani Faisla*

„You should listen with most attention and concentration, because this is an affair concerning your faith. Negligence, indifference if shown in this matter would bring forth adverse effects. Those who show indifference and apathy in matters concerning faith, whenever something is said to them, never pay attention to it. However effective, beneficial eloquent may be the speech it would have no effect on such people. These are the people for whom it is said that they possess ears, but they don’t hear, and they possess a heart but don’t understand. It is, therefore, essential that you should listen carefully to what is said. Any person who does not listen carefully, however long he may enjoy the company of a beneficial person he would never benefit from him."

*The Promised Messiah, Al-Hakam March 10, 1902*

NOT ANY ORDINARY GATHERING

“It is essential that all those who are able to afford to travel should attend the Jalsa which is in so many ways a source of blessings. They should not mind minor losses in this way God give ample reward to sincere believers at every step and no hardship or trouble goes to waste (it is definitely rewarded by God). I should like to repeat that this Jalsa must not be taken like other ordinary gatherings. This is an affair that has been based on the succor of God.”

*The Promised Messiah, Ishtihar 7th December 1891*

**PRAYERS FOR JALSA SALANA**

“I pray to God that He may be with all those who are coming to attend the Jalsa and that He may grant them great rewards and He may show mercy and His grace. O God! O You Who are the Greatest Granter, the Benevolent and Merciful, and the Remover of hardships, do listen to all these prayers of mine and grant us victory over our opponents, with great glaring signs for, you have the power to do whatever you like. Ameen.”

*The Promised Messiah, Ishtihar 7th December 1891*

„O Almighty, most Gracious and Merciful God! Accept all these prayers and grant us victory over our enemies with powerful signs, because only you have all power and might.“  
*(Ishtihar December 7th, 1892)*

**100 YEARS KHILAFAT**

In anticipation of the 100 years of Ahmadiyya Khilafat to be completed in 2008, Inshallah, Huzuraba instructs the Community to engage in worship and prayers. Huzuraba specified the following:

1. **Recite Surah Al Fatiha seven times daily, reflecting over it so that you are saved from trials, disorder and dajl (Antichrist).**

In the name of Allah the Gracious, the Merciful  
All praise belongs to Allah, Lord of all the worlds  
The Gracious, the Merciful  
Master of the Day of Judgement
Thee alone do we worship and Thee alone do we beseech for help. Guide us to the right path.
The path of those upon whom Thou hast bestowed Thy blessings, but not those who have incurred Thy displeasure, nor of those who have gone astray.

2. Recite the following prayer abundantly.

“O our Lord, pour forth steadfastness upon us, and make our steps firm, and help us against the disbelieving people.”

Surah Al Baqarah verse 251

3. A prayer that is most significant in keeping hearts straight.

Hadrat Nawab Begum Sahiba saw in a vision that the Promised Messiah (on whom be peace) enjoined reciting it abundantly.

“Our Lord, let not our hearts become perverse after Thou hast guided us; and bestow on us mercy from Thyself; surely, Thou alone art the Bestower.”

4. Also the prayer:
(Prayer of the Holy Prophet, peace and blessings be on him)

“O Allah! We make You a shield against the enemy and we seek Your protection against their evil designs.”
5. Huzur abba enjoined to profusely engage in Istaghfar; to recite:

“I beg pardon of Allah, my Lord, for all my sins and I turn to Him.”

6. Huzur abba enjoined to recite “Salat un Nabi” (Durood Sharif) abundantly, he said each Ahmadi should pay particular attention to this in the next three years:

O Allah, bless Muhammad and his people, as Thou didst bless Abraham and his people- Thou art indeed the Praiseworthy, the Exalted.

O Allah, prosper Muhammad and his people, as Thou didst prosper Ibraheem and his people - Thou art indeed the Praiseworthy, the Exalted.

First Aid/Medical Facilities.
Medical Teams will provide 24 hours medical coverage during the days of Jalsa. During the hospitality period limited assistance can be provided by the Jamaat. Guests have to bring their own health insurance with them. In Germany only authorised doctors are allowed to prescribe medical treatment and we have only a few Ahmadi Doctors. Doctors from abroad if not recognized by German Authorities are not allowed to prescribe medicines or provide any other medical treatment. Likewise, prescribed medicines can only be obtained from recognised drug store. Nobody else is authorised to give any drug by himself. Of course this rule does not apply to receipt free medicines. Written prescription by your doctors if they are not recognized by German Authorities will not help you to obtain medicines in Germany. In case you take regular medicines then you are advised to bring your own authorised medicines from your own country. Here it is all difficult. Health Insurance coverage is must to avail any type of medical facility in Germany; otherwise it will not only be extremely expensive but difficult to get any medical assistance as well.
