Important Requests

We convey our Salams and heartiest welcome to all the guests of Jalsa Salana Qadian and we pray that Almighty Allah may make your stay in Qadian a blessing in every way.

During your stay in Qadian please keep in mind the following points :

1. Spend much of your time in Qadian in the remembrance of God, prayer and Darud. Recite the Holy Quran regularly after Fajr prayer. This was the practice of the companions of the Promised Messiah, peace be on him.

2. Keep praying for the triumph of Islam and Ahmadiyyat, the progress of Jamat Ahmadiyya, for the health and long life of Hazrat Khalifatul Masih V aba and for his outstanding success in his objectives.

3. During the Jalsa, listen carefully and with interest to the discourses of Huzoor aba and the lectures of other scholars.

4. During the time of the Jalsa, the gents will offer their Prayers in Masjid Aqsa and the ladies in Masjid Mubarak. Congregational prayers will also be held in Masjid Nasirabad, Masjid Darul Anwar, Masjid Noor, Masjid Darul Rehmat, Masjid Darul Futooh, Masjid Darul Barkat, Masjid and in temporary mosques set up in residential quarters.

5. During the Jalsa, Prayers will be combined. It should be remembered that according to Ahadith, the Holy Prophet s.a.w.s. (peace and blessings of Allah be upon him), used to combine Zuhar and Asar prayers, and Maghrib and Isha prayers on account of rain and other necessities as well as for religious purpose. Hence in view of the spiritual purpose of Jalsa Salana, for the convenience of the guests and the hosts and for the sake of benefitting from the lectures, prayers will be combined. Zuhar and Asar prayers can both be offered at the time of Zuhar or Asar, and Maghrib or Isha prayers can both be offered at the time of Maghrib or Isha. In Hadith it has also been mentioned that our beloved prophet Muhammad s.a.w.s (peace and blessings of Allah be upon him) combined prayers in Madina without any excuse of rain or disease. When Abdullah bin Abbas was asked about the reason for combining two prayers, he replied that it was because the Holy Prophet s.a.w.s wishes that in his Ummah (followers) no one may be put into difficulty.

(Sahih Muslim Baab Al Jama Bain as Salatain Fil Hazar)

6. If it has been announced that Zuhar and Asar will be combined, the Sunnat before and after Zuhar are omitted (Fiqah Ahmadiyya p. 187). When Maghrib and Isha prayers are combined only Vitar should be offered. The Sunnat prayers are omitted.

7. The Department of Tarbiyyat had published last year a book on "Qadian and its sacred places" An introduction to the sacred and historical places of Qadian can be obtained by reading this book.

8. When praying at the tomb of the Promised Messiah (peace be on him) in Bahishti Maqbara) observe the Islamic practice of raising the hands and praying. Refrain from non-Islamic idolatrous practices such as taking mud from the grave, putting flowers, etc.

9. Do not waste food. Put in your plate as much as you can eat.

10. In residential houses toilets bathrooms etc observe cleanliness. Do not smoke in residential houses and streets.

11. Do not eat meat or chicken from any non-Ahmadi shop since the animal is not killed according to the Islamic way.

12. Those who are coming from Pakistan should not go outside Qadian, unless they have visas for other places.

13. Do not engage in talks about politics and do not speak anything that may cause difficulties to organizers.

14. If you need anything or if you have any difficulty during your stay in Qadian, immediately contact the officer of Jalsa Salana Qadian.

It is our prayer that Almighty Allah may be the Protector and Helper of all of us during the stay and in the journey.
