The Ahmadiyya Muslim Community is a dynamic, fast growing international revival movement within Islam. Founded in 1889, the Community spans over 190 countries with membership exceeding tens of millions. Ahmadiyya Muslim Community USA, established in 1920, is the first American-Muslim organization.

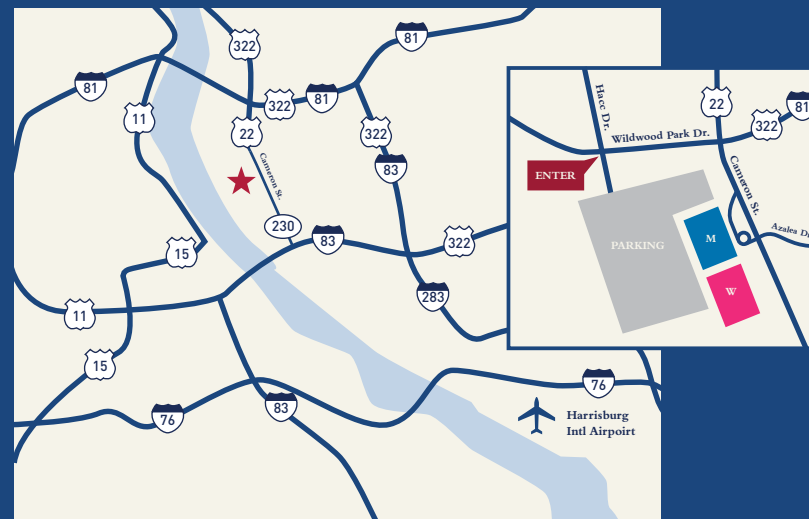

The Ahmadiyya Muslim Community is the only Islamic organization to believe that the long-awaited Messiah has come in the person of Mirza Ghulam Ahmad<sup>as</sup> (1835-1908) of Qadian, India. Ahmad<sup>as</sup> claimed to be the metaphorical second coming of Jesus of Nazareth and the divine guide, whose advent was foretold by the Prophet of Islam, Muhammad<sup>sa</sup>. The Community believes that God sent Ahmad, like Jesus, to end religious wars, condemn bloodshed and reinstitute morality, justice and peace. Ahmad's advent has brought about an unprecedented era of Islamic revival and moderation. He divested Islam of fanatical beliefs and practices by vigorously championing Islam's true and essential teachings.
